Dear Ms. Best:

This is to acknowledge receipt of your Freedom of Information Act (FOIA) request dated 5/21/2019, and received in this Office on 5/21/2019, for:

“...any and all documents in the agency's possession that pertain to the WikiLeaks website or organization from January 2006 to the present date, including but not limited to emails, memos, notes, briefings, reports and other documents related to, mentioning or generated as a result of:

- \* guidance and instructions for employees regarding visiting the website or otherwise reading or learning about it in the news
- \* internal reactions to the website's existence and disclosures
- \* damage reports regarding the website and its disclosures
- \* efforts to identify, investigate and/or mitigate potential leaks to the website
- \* efforts to identify, investigate and/or mitigate potential unauthorized viewing of the website or news reports analyzing it and/or its contents”

The Freedom of Information Act Office is processing your request on behalf of the American Battle Monuments Commission.

The records you seek require searches in other Offices, and so your request falls within “unusual circumstances.” See 5 U.S.C. 552 § (a)(6)(B)(i)-(iii). Because of these unusual circumstances, we need to extend the time limit to respond to your request beyond the ten additional days provided by the statute. For your information, we use multiple tracks to process requests, but within those tracks we work in an agile manner, and the time needed to complete our work on your request will necessarily depend on a variety of factors, including the complexity of our records search, the volume and complexity of any material located, and the order of receipt of your request. For example, our data indicates that requests in the simple and expedited tracks take about one week, and complex track requests average 21 days. At this time we have assigned your request to the complex track. In an effort to speed up our process, you may wish to narrow the scope of your request to limit the number of potentially responsive records so that it can be placed in a different processing track. You can also agree to an alternative time frame for processing, should records be located; or you may wish to await the completion of our records search to discuss either of these options.

*If you have any questions or wish to discuss reformulation or an alternative time frame for the processing of your request, you may contact the analyst handling your request at [foia@abmc.gov](mailto:foia@abmc.gov), or our FOIA Public Liaison, Jennifer Li, for any further assistance and to discuss any aspect of your request at:*

We have not yet made a decision on your request for a fee waiver. We will do so after we determine whether fees will be assessed for this request. In your letter you agreed to pay fees up to \$0 prior to being informed of the charge in advance in the event that a fee waiver is not granted.

I regret the necessity of this delay, but I assure you that your request will be processed as soon as possible.
